

LET'S GO ON A COLOR HUNT!

How many colors can you find at Bullington Gardens?

Compare your finds with the colors on this color wheel, and check each color off. You can also take pictures of your discoveries and create your own color wheel at home. *Please help us take care of the Gardens by not picking or taking the things you find.*

Which colors are the easiest to find?

Which colors are hard to find?

Why do you think there are more (or less) of certain colors?

Do you think the time of year you visit Bullington Gardens would make a difference in the colors that are around? Why?
